

KHANG NGUYEN

FRONT-END DEVELOPER

PROFILE INFO

My goal is to become a professional front-end developer. Currently, I am a last-year student at XAMK. I am a young student with not much work experience, but I will try my best to develop myself. I always try to gain experience and accumulate knowledge to become better and better.

WORK EXPERIENCE

1 FEB 2022 - 1 JUL 2022

Sakura Sushi Restaurant

Working as a waiter and cashier at Sakura. I studied some fundamental Finnish which helped me gain more experience and improve myself.
